

WTUA – Keighley and Worth Valley Railway Trip from Wirral

The Wirral Transport Users Association has organised a train excursion on the Keighley and Worth Valley Railway on Sat 13th Sept 2025.

A coach will take us from various Wirral pickup points (listed on the Application Form below) to the KWVR terminus at Keighley. We will travel steam-hauled to Oxenhope station through the beautiful Yorkshire countryside and pass through the station at Oakworth (the station used in the film 'The Railway Children') and return back to Keighley. Two optional variations are offered, getting off the train on the return leg, at either:

- Haworth to explore the pretty town with its parsonage where the Brontë sisters lived, or
- Ingrow to visit the Carriage Works and Engine Shed Museums (extra charge £3), and returning the rest of the way to Keighley on the following train.

The schedule returning home should allow about an hour to explore the town of Hebden Bridge with its attractive shops and canal basin – traffic conditions permitting.

The price for both the coach and the train travel is £47 (+£3 if visiting the Ingrow museums) per person and is payable in full with the completed application form. We are NOT restricting the trip to members only- you are welcome to bring friends. We need to have an idea of numbers by 22nd August, so please try and send in your application by then - late applications may be accepted subject to coach space availability. Any cancellations must be notified by 29th August for a refund.

Any questions or to request another copy of this form, please ring Brian Grey on 0151 648 3070 or write to him at 56 Coombe Road, Irby, Wirral, CH61 4US.

Please note- as with any heritage railway, circumstances may occur which require the steam-haulage to be replaced by diesel-haulage.

NOTE- On receipt of your application, a confirmation document/email will be sent to you (giving more detailed pickup location information). If not received by 6th Sept, please phone Brian.

You might like to copy your chosen pickup time and location to this box to remind you of your choice after you have sent off the form section:
