

## WTUA – Llangollen Railway Trip from Wirral

The Wirral Transport Users Association has organised a train excursion on the Llangollen Railway on Sat 9<sup>th</sup> May 2026.

A coach will take us from various Wirral pickup points to the railway terminus at Llangollen. We will travel steam-hauled to Corwen station through the beautiful Welsh countryside, mostly running alongside the River Dee, then return back to Llangollen. On the way home from Llangollen we will have about an hour to look at the UNESCO World Heritage Pontcysyllte canal aqueduct at Trefor. We are likely to have about an hour and a half in Llangollen before the train ride and just over an hour after it. We should be back at the last drop off at about 7pm.

The price for both the coach and the train travel is £55 per person and is payable in full with the completed application form. The trip is open to everyone, not just our members- please bring your friends. We need to have an idea of numbers by 15<sup>th</sup> April, so please try and send in your application by then - late applications may be accepted subject to coach space availability. Any cancellations must be notified by 23<sup>rd</sup> April (just before we must pay the railway) for a refund.

**Any questions or to request another copy of this form, please ring Brian Grey on 0151 648 3070 or write to him at 56 Coombe Road, Irby, Wirral, CH61 4US.**

Please note- as with any heritage railway, circumstances may occur which require the steam-haulage to be replaced by diesel-haulage.

*NOTE- On receipt of your application, a confirmation document/email will be sent to you (giving more detailed pickup location information). If not received by 2<sup>nd</sup> May, please phone Brian.*

You might like to copy your chosen pickup time and location to this box to remind you of your choice after you have sent off the form section:
